## HAVE YOU TRIED OUR GF YORKSHIRE PUDDINGS?

We firmly believe that yorkshire puddings are absolutely key to what makes a proper sunday roast, which is why we've developed our new gluten free yorkies which are now available upon request! No more feeling left out due to a dietary requirement you've no choice over...!

Not to mention they're also Lactose free & vegetarian friendly!

*Yorkshire puds all round!*

We are sad to say goodbye to 'sneaky' Pete. Pete has been a very important part of our chef team & has been with us since the beginning of scran. We wish him all the best as he moves on to pastures new. We will miss you sneaky! Xx

TURN OVER FOR OUR SUNDAY ROASTS...

## THANKS MUM!

*This Mother's Day spoil your Mum by treating her to sunday scran...*

Because the simple fact is, the greatest gift your can give her, is quite simply more of you!

We understand how busy life can be, and sometimes don't get to spend the quality time with our loved ones we'd like. Which is why it's even more important that on sunday's like the 22nd March that your not stuck cooking. Let us take care of the hard work and give your mum the gift that will mean the most to you both.

## IT'S THAT TIME OF YEAR AGAIN...

The Harrogate Hospitality & Tourism Awards 2020 nomination submissions are now open!

This year we are hoping you will vote for scran to win " Best Achievement

Of The Year" after the weather during the UCI Road World Championships caused the Fan Zone to close, we decided that the town still needed a bit of fun!

So Vote for us if you think our House DJ, Bands and great gin, beer & bbq stands along with the cheery supporters made it all better!
